YONOVITZ & JOE

Yonovitz & Joe, L.L.P., a registered partnership based in Dallas, Texas, is a team of forensic audio/video analysts, experts and consultants. They have been forensic audio/video experts for over sixty combined years. Their diverse legal, forensic, academic, research and clinical experience includes scientifically objective, verifiable and generally accepted analyses of audio and video evidence including, but not limited to, the forensic authenticity analyses of audio or video evidence, voice/speaker identification or elimination via aural-acoustic-spectrography, digital enhancement of audio or video recordings, transcription development and verification, etc. [\(For a copy of the company résumé, please click here.\)](#) PDF

They have been retained in thousands of criminal, civil and administrative cases involving thousands of recordings throughout the U.S., Canada, Mexico, the United Kingdom, India, Sri Lanka, Australia, Singapore and the United Arab Emirates, and have testified in state and Federal courts in civil, criminal and administrative matters throughout the U.S., as well as overseas. They also give regional, national and international presentations (many CLE seminars) and co-author peer-reviewed publications.
